REPORT OF THE DEPARTMENT SENIOR VICE COMMANDER

Frank J. Tucker

To: The Officers & Members of the Massachusetts Department, Sons of Union Veterans of the Civil War.

My Brothers, Greetings:

Many honors have been bestowed upon me during my lifetime, but I feel that your choice of me as your Dept. Sr. Vice Commander will always be part of a cherished memory. I must salute your patience with me during this term of office because of your understanding of the problem I have being the District Commander of 3000 members of the VFW and attempting to serve the Sons in the best way possible. I hope that I have measured in a small way, up to your expectations of what a Department Sr. Vice Commander should represent.

Without recourse to chronology, may I report, that when possible, I attended the Council of Administration, the Plymouth County Meeting, the Friendly Relations Banquet, and the 100th Anniversary Commemoration of the Lincoln-Washington Dinner in Rockland.

I have filed resolutions to be acted upon at this convention regarding Dual Memberships and upgrading of per capita payments. During this period I have also served in the position of Commander of Nathaniel Bowditch Camp 30. During this past year I filed a bill in the legislature in conjunction with the observance of the Centennial of the Sons of Union Veterans of the Civil War, calling for the naming of a section of the State House in honor of the Veterans of the Grand Army of the Republic from Massachusetts. It was received by the Legislative

Committee on State Administration, with no opposition, and I together with various members of the Allied Orders and a strong representation of brothers of the Sons of Union Veterans, spoke in favor of the Bill. I also enlisted the endorsement of the State Dept. of the VFW, the American Legion and the Disabled American Veterans, which was submitted to the Committee in writing by the various Department Adjutants. It has also received the endorsement of the Secretary of the Commonwealth, and various Senators, and up to this date it appears that barring a last minute change of heart, will be adopted and sent on to the Governor for signature. In furthering plans for celebrating the 100 years of the founding of the Sons of Union Veterans, I have received accolades for the Order from the House of Representatives, via Speaker Thomas McGee, the Mass. Senate via President William Bulger and Senator Arthur Lewis, Michael J. Connolly, the Secretary of the Commonwealth, and Governor Edward J. King. I have placed these items in the hands of our Secretary, along with copies of Senate Bill #1133 renaming the State House Hall, and my speech before the Committee for filing by the State Historian if he so deems. In conjunction with this bill, I have in place at this time, a complete program of dedication ceremonies ready to go when the Bill is signed by the Governor. At present, I am working on plans to have the 15th of April set aside by Proclamation of the Legislature as Grand Army of the Republic Day, and am in hopes someday to make it a State and National Holiday, in honor of those great Patriots. The VFW has passed a Resolve at its recent Top Level Council Meeting commending the SUVCW on its Centennial Year after I personally reported the event to them. This item is also turned over to the Secretary and I am in hopes he might sift through the items for releases to be printed in the Banner. During the past year, I have also served with brother Ernie Wells in the position of Assistant Curator of the GAR Memorial Shrine in the State House, and have managed, after consultations with the Supt. of State Buildings, to have the room properly maintained as to cleaning etc. In the coming years

I pledge to become more involved than I have been in this great organization, and pledge you a year of great activity should I rise to the office of Department Commander.

Personal Aide Ray Hutchinson gave a verbal report.

George Place, P.D.C. gave a verbal report for the Publicity Committee.

Chairman William W. Haskell, P.C. in C. gave a verbal report on the Site Committee.

Dept. Sr. Vice Comdr. Frank J. Tucker read a citation from the V.F.W. on our 100th Anniversary.

Dept. Secretary read the following Resolutions.

RESOLUTION

March 6, 1982

WHEREAS: Dual Members in the Sons of Union Veterans of the Civil War ARE descendents of Union Veterans, and thus are eligible to every recognition awarded to paid up members of the SUVCW, and

WHEREAS: The purposes of dual membership are to support and in many instances prop up failing Camps, in order to preserve the strength of the SUVCW, and to offer the benefit of their experience as members to the newer brothers, and

WHEREAS: There was passed at the 98th Department Encampment, a resolution limiting their rights as members to cast votes at the meetings of the Camp in which they are Dual, and dues paying members, by restricting voting privileges to 40% of members present, a completely discriminatory move, disenfranchising those who exceed the 40% amount, and opening voting control to handpicked dual members, and

WHEREAS: Associate members have no Ancestors who were in the Civil War, and are strictly a supportive group, with less authority than actual Sons of Union Veterans, but yet are in NO way restricted to any percentage of voting, and could be used to control any Camp meeting of the SUVCW by those with ulterior motives, and

WHEREAS: It is the opinion of the petitioner that this section of the By-Laws at the 98th Convention of the Department of Mass. is not only an infringement of members' rights, but highly illegal,

BE IT RESOLVED: That the section covering the voting privileges in Camps of Dual Members, be rescinded in the interests of Fraternity within the Order, and that voting of Dual members in Camps outside of their original Camp be as unrestricted. And further, that the restriction of 40% of voting strength be allotted to Associate members.

Respectfully submitted,

FRANK J. TUCKER
Dept. Sr. Vice Commander

RESOLUTION

WHEREAS: It was enacted at the 100th National Encampment of the Sons of Union Veterans of the Civil War, that the per capita tax on every member be increased to $1.00 per quarter, and

WHEREAS: No reason was offered for such a major increase in Per Capita Payments, and

WHEREAS: In the interests of allowing the overall membership, a democratic insight into the expenditures of money in the SUVCW, it is felt that such a resolution should have been first proposed to every Department prior to the National Convention, for the purposes of digesting same, and informing Camps of the upcoming action, so that attending delegates could be instructed in the manner of voting for such a proposal, and

WHEREAS: The per capita increase as passed at the 100th Convention of the SUVCW will cause a loss of a great number of the small and indigent camps in the Order, thus beginning the erosion of the membership strength of the SUVCW .....

BE IT RESOLVED: That in the interests of preserving and propogating the Sons of Union Veterans of the Civil War, that the actions of the 100th Encampment of the Sons of Union Veterans of the Civil War, in enacting a One Dollar Per Capita tax, be rescinded, and

BE IT FURTHER RESOLVED: That any future raising of Per Capitas be first proposed to all Departments prior to any future Encampments of the Order.

Respectfully submitted,

FRANK J. TUCKER
DSVC Mass. SUVCW

March 6, 1982

RESOLUTION

WHEREAS: Resolutions 1 & 2, enacted at the 98th Department Convention have placed a burden on the voting rights of Dual members, in paragraph 7, as states: In the Department Encampment, dual members can not be delegates or alternates except from their original Camp, and

WHEREAS: Associate members to the SUVCW, who are in all actuality not full fledged members, can be elected as delegates and alternates to the State convention, and

WHEREAS: This constitutes a violation of the rights afforded a full fledged member of the SUVCW,

BE IT RESOLVED: That Section 7 be rescinded, and in its place the following be inserted and made part of the By-Laws & Constitution of the Dept. of Mass. SUVCW:

In the event, that the Camp in which a member holds a Dual Membership, cannot find adequate full fledged Camp members to fill the Post of Delegate or Alternate to the State or National Convention, then a Dual member is allowed to enter into the process of nomination and election as either a delegate or alternate to said conventions.

Respectfully submitted,

FRANK J. TUCKER
Department Sr. Vice Cmdr.

Report #5

REPORT OF THE DEPARTMENT SECRETARY

To the Officers and Members of the 100th Annual Encampment of the Massachusetts Department Sons of Union Veterans of the Civil War:

Brothers:

Another year has passed and it is again time for me to report to you the condition of the Department both in membership and finance.

MEMBERSHIP

Our membership still stands around the 300 mark but if we are to survive we must get out and recruit some new members. This year we lost one Camp, the Jonas C. Wellington Camp #14 of Cambridge. This year the National Organization raised the Per Capita Tax from $.65 to $1.00 starting with the first of this year. I know this is going to be a hardship for some of the Camps but Brothers carry on, I hope that at this year's National Encampment we may be able to rescind the raise.

This year we gained by initiation 12 members, dropped 11 and lost by death 10. We now, as of March 31, 1982, have 300 members. Last year we lost one, P.D.C. Millard F. Brown, who served as Department Commander in 1955.

RECOMMENDATION #1. That we draw up a Resolution on the death of P.D.C. Millard F. Brown and present it to this Encampment before we close.

Starting last January 1, 1982 the Banner was mailed out from the Headquarters of the Banner. If all the Camp Secretaries will keep an up-to-date mailing list, all members should receive the Banner. It is now not up to the Department but up to each Camp Secretary.

FINANCIAL REPORT

Our financial condition is again in very fine shape thanks to the hard work of Department Treasurer Miles E. Harrington, Sr. All bills have been paid as of March 31, 1982, and my checkbook shows a balance of $1,463.65.

This year our Department will host the 101st National Encampment which will be held at the Biltmore Plaza Hotel in Providence, RI the week of August 15-19, 1982. Will you please give the committee your cooperation.

I wish to congratulate Department Commander Irving Comee for his fine leadership during the past year. It has been a pleasure to work with him. To P.D.C. Miles E. Harrington, Sr., it again has been a pleasure working with you. We have spent many hours together in the office; your council and advice has been a great help.

To all others who in any way have given of their time in helping with the work of the Department, I say THANKS.

RECOMMENDATIONS

#2 That the Department appropriate the sum of $150.00 to the National Encampment Committee.

#3 That the Department endorse P.D.C. Eugene E. Russell for the office of Junior Vice Commander-in-Chief.

Yours in F.C. & L.

WILLIAM W. HASKELL, Dept. Sec'y

Report #6

#4 - That the Department present Frank J. Tucker a Flag for the State House Post of the Veterans of Foreign Wars.

DEPARTMENT COUNCIL REPORT

To the Officers and Members of the 100th Annual Encampment:

The newly elected Council members met at the close of the 99th Encampment, April 17, 1981 and organized as follows: Chairman - retiring Department Commander George E. Place; Secretary - P.D.C. Eugene E. Russell; Advisor - P.D.C. Charles W. Hooper, Jr. The Department Secretary's checking account will be continued at the 1st National Plymouth Co. Bank.

The Mass. Department is saddened by the loss of another faithful and dependable P.D.C. in the person of Millard F. Brown. His quiet sincerity accounted for his often being asked to serve as chaplain at our various meetings. Although in failing health in recent years, his uncomplaining nature was an inspiration to many of us who might

be inclined to magnify minor complaints to unreasonable lengths.

Reports of both Dept. Secretary and Dept. Treasurer have been audited and found in order. Chairman Place, due to illness, has been unable to travel from Springfield to take part. On one audit P.D.C. Garney was appointed to fill in. Treasurer Harrington's method of accounting deserves special mention for its simplicity and understandability.

The Council makes its customary recommendation that the members endeavor to conduct each audit at the close of its respective quarter rather than delay over several quarters. This would contribute to a less hurried procedure and perhaps enable closer scrutiny of related subjects. One point for examination might be the listing of the actual legal restrictions on use of trust funds. Commander Comee asserts he checked such funds at their depositories. It might well be a function of the Council to make an annual inventory of supplies at the close of each year. Another Council function could be to check the previous Encampment votes to see if all financial recommendations are properly carried out.

MASS. DEPT. PATRIOTIC INSTRUCTOR'S REPORT

To the Officers and Members of the 100th Annual Encampment:

One year ago I was proposed by Dept. Cmdr. Irving Comee for a second term as Dept. Patriotic Instructor. I agreed to accept this challenging appointment and looked ahead with great enthusiasm to complete the duties of this office.

During this 1981-82 term, I decided to seek donations for the Patriotic Instructors Fund on a low key level, making only an occasional direct appeal prior to Encampment to be followed by other appeals while the Encampment would be in session. This formula achieved reasonable success during the 1980-81 term, resulting in a substantial collection.

I trust that my efforts in carrying out the duties of this office have again proven satisfactory to my Peers.

I convey my heartfelt thanks to all who have or will contribute to the fund. The same goes also to those who have so kindly contributed much advice and guidance to me along the trail.

Two flag presentations were made, one in company with Dept. Chaplain Lewis Garney to an Area Church, and the other to a private citizen who made a special request.

I initiated a clipping project of historical items pertaining to the Civil War published in South Shore papers and have shared duplicates with Massachusetts members as well as the National organization.

I aided in flagging Union Veteran graves in the Brockton area and took part in Memorial Day Exercises in Brockton. I was a member of the Color Line that marched in the Randolph July 3rd parade, the Tri-town parade in Abington November 11th, and the Brockton Centennial Parade on May 23rd. I also attended the dedication of the Vietnam War Memorial in Brockton.

I attended the funeral services for P.N.P. Flora Bates, P.D.C. Millard Brown, and P.C. Dana Lincoln.

I urge re-consideration of the Officer Training Program and its possible acceptance. I believe it has merit and could do some good.

I recommend that school departments be urged to update their curriculum to include an American History course which includes the Civil War. The majority of High School students and graduates appear to have no knowledge of the Civil War when questioned about it.

My initial financial report amounts to a temporary total of $33.00. I expect to increase this total before this Encampment ends.

Respectfully submitted in F.C. & L.

To Thelma Badger, P.D.P. Chief of Staff of the Auxiliary...it has been a pleasure working with you this year.

DEPARTMENT TREASURER'S REPORT

To the Officers and Members of the 100th Encampment of the Massachusetts Department, SUVCW.

Greetings:

The past year, as usual, has been a busy time for

me. The care and administration of the various funds of the Department are a most important part of my duties. I believe my efforts have been in the best interests of the Department and are proven in the increase of our reserves. With continued care, our financial future is assured.

A question has come up as to the administration fee charged to various funds. This fee of 6% per annum was voted and authorized by a previous encampment and the amounts charged are placed in the Permanent Fund.

The number of shares of Bird & Son stock has increased due to their recent policy of issuing stock in lieu of cash dividends.

Shares in Valley Resources and Eastern Utilities have increased due to participation in their re-investment plans.

Shares in Haverhill Gas stock have increased due to a 2 for 1 split in their Company.

Ludlow and Emhart stock was called in and the cash received re-invested elsewhere.

Through the efforts of several members, of the Sons and of Sister Organizations, the Department has received a fund from the trustees of former Jonas C. Wellington Camp #14. This new fund will be known as the Bridgeport Fund.

I continue to consult with members of the Council and Executive Board on many of my actions and to date, my decisions have met with approval.

I wish to thank everyone for the confidence and continued support given me. I will always do my best in the affairs of the Department and our Order.

The following pages contain my report of the funds and financial standing of the Department.

THE ALLIED ORDERS OF THE GRAND ARMY
OF THE REPUBLIC
DEPARTMENT OF MASSACHUSETTS

ANNUAL REPORT OF THE ADJUTANT-GENERAL
April 1, 1982

To all members of the Departments of Massachusetts of the five Allied Orders of the Grand Army of the Republic, Greetings:

As your Adjutant-General for the fifth year, it is my desire to apprize all members of our constituent Orders of the activities of the Organization of the Allied Orders of the Grand Army of the Republic, and in particular of the Board of Delegates during the period commencing on April 1, 1981 and concluding on March 31, 1982.

The seventh year under the current statewide organization of the Allied Orders has been one of growth and progress. This brief report will summarize the following areas: I. Administration; II. Finances; III. Activities; IV. Items for Consideration by Department Conventions and Encampment; V. Meetings.

I. ADMINISTRATION

The period of this report extends over the tenures of two administrations. The first, under the capable and experienced leadership of Bro. William W. Haskell, served until the Annual Meeting held on June 13, 1981. On that occasion the gavel of authority was handed to another competent and familiar member of the Grand Army Family, Sr. Minnie E. Madeiros. This Annual Meeting was held at the Grand Army of the Republic Memorial Rm. 27, The State House, Boston. The complete rosters of officers for 1980-81 and for 1981-82, respectively, were as follows:

IV. ITEMS FOR CONSIDERATION

Approval of the following resolution (pertaining to the dues paid by each Department annually to the Allied Orders) is requested:

"RESOLVED, THAT THE ANNUAL DUES OF EACH MEMBER DEPARTMENT IN THE ALLIED ORDERS OF THE GRAND ARMY OF THE REPUBLIC, DEPARTMENT OF MASSACHUSETTS, BE INCREASED FROM $10.00 TO $15.00 PER YEAR."
